

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6 as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The solicitation number is W91ZRS-04-Q-0001 and is issued as a request for quotes (RFQ). The solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 01-15. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued. The NAICS code is 335911, SIC code is 3691. The Connecticut Army National Guard, Department of Information Management has the requirement for a Back-up Battery System. The government considers Nfinity 12 Bay Model NB20C0612600 20kva/14kw manufactured by Liebert or equal to meet the minimum needs of the government. The following Liebert features/accessories are also to be included within the base model:

- 208 or 240 1-phase input, 208/120 VAC 1-phase output
- Five (5) 4 kVA Power Module
- One (1) Redundant 4 kVA Power Module
- One (1) System Control Module
- One (1) Redundant System Control Module
- Six (6) Battery Modules
- Equal SNMP Network Interface Kit; Provides internal hardware and software to Communicate to any 10/100 Mbit Ethernet network or through the internet.
- Equal MultiLink Site License Kit for 20 Computers, MLLKD
- Weights and Dimensions: 20" W x 28"D x 54" H; 1,033 lbs.
- On-line design with a sine wave output
- Input and Output noise suppression and isolation frame
- Casters and leveling feet
- 3-5 hour battery recharge time
- Low voltage distortion output inverter
- Intelligent Bypass
- Flame- retardant valve regulated batteries
- User interface module provides a mimic diagram of power flow
- LCD display provides access to: digital metering, event logging, and user programmable Set points (low battery alarm, battery test, auto restart delay).
- Two year parts and on-site labor warranty

2. Wall Mounted Maintenance Bypass Cabinet OPTION.

- 125A output circuit breaker
- Weights and Dimensions: 26" W x 19"D x 12" H; 50 lbs.
- Manual bypass transfer switch
- UPS input disconnect switch
- Two year parts and on-site labor warranty
- Indicator lamps

1. Extended Run Time OPTION #1 to provide a total of 39 minutes backup time at Full load, 83 minutes at half load.

- Maximum of twelve Battery Modules per Extended Battery Cabinet
- Casters and leveling feet
- Fault tolerant microprocessor-based control and monitoring
- Flame-retardant valve regulated batteries
- Two (2) Equal Battery Cards (IBC)
- One (1) 10' communication cable
- Twelve (12) Battery Modules
- One (1) 3-foot Pluggable Battery Cable for connection between Extended Battery Cabinet and UPS
- Maximum of four Extended Battery Cabinets may be installed with one Nfinity UPS
- All modules are hot-swappable to provide maximum system availability
- Two year parts and on-site labor warranty
- Dimensions: 20" W x 28" D x 52" H; 1,017 lbs.

2. Power Strip-10 Outlet / 20 Amp 120 VAC/60 Hz Outlets NEMA 5 – 15/20R (T0Slot), plug NEMA 5-20P

All equipment must be new and conform to all applicable standards and specifications. The Acquisition will be FOB Destination with delivery and acceptance point at Connecticut Army National Guard, State Armory, 360 Broad St., Hartford, Connecticut 06105-3795. Delivery date shall be within 30 days of receipt of order. Award will be based on price of the base model with options. The provision of FAR 52.212-3, Offeror Representations, applies to this RFQ. A completed and signed copy of this provision shall be submitted with all offers. The following Federal Acquisition Regulations (FAR) and its supplements DFAR and AFAR provisions and clauses apply to this acquisition; 52.212-1, Instructions to Offerors—Commercial Items; 52.212-4, Contract Terms and Conditions—Commercial Items; 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items; 52.211-6 Brand Name or Equal; 52.232-33 Payment by Electronic Funds Transfer—Central Contractor Registration. You can visit the web-site at www.arnet.gov/far for the provisions and clauses needed for this synopsis/solicitation. Visit www.ccr200.mil to register with Central Contractor Registration. Proposals may be faxed to 860-524-4874 or emailed to Karlene.pratt@ct.ngb.army.mil. All inquiries need to be addressed in writing to Karlene.pratt@ct.ngb.army.mil, oral communications will not be accepted.
