

**STATEMENT OF WORK**

**Road Clearing SRMR – Roads “I” and “K”**

**August 21, 2004**

1. The project is located at Stone’s Ranch Military Reservation, Route 1, East Lyme, Connecticut.
2. The scope of work includes all work in the areas indicated on the attached drawings. All vegetation and trees will be cleared from the areas shown. The cleared trees will be chipped, removed or stockpiled on site at the owners direction.
3. Clearing lines will be marked by CTARNG personnel prior to the final bids being submitted. The location and amount of the filter fabric fence may be different than shown on the attached plans. A unit price amount per foot will be included in the bid price for the filter fabric fence and payment will be made based on the actual length installed.
